Technical Skills

- Programming Languages
 - ✓ Python
 - ✓ Java
 - ✓ C
 - ✓ JavaScript
 - ✓ TypeScript
 - ✓ PHP
- Web Development
 - ✓ React
 - ✓ HTML
 - ✓ CSS
 - ✓ Tailwind CSS
 - ✓ Spring Boot
 - ✓ Django
- Database Management
 - ✓ MySQL
- Cloud Platforms
 - ✓ Microsoft Azure
- Other
 - ✓ Data Structures and Algorithms
 - ✓ Object Oriented Concepts

CHALANA PIYUMIKA

About Me

I am an enthusiastic Computer Science undergraduate with a strong interest in technology, software development, and innovation. I have hands on experience in web and application development and enjoy creating practical, user friendly solutions. I am especially interested in full stack development, cloud computing, and artificial intelligence, and I like learning new technologies and solving real world problems.

Education

- Uva Wellassa University 2023 - Present
 - Department of Computer Science and Informatics
 - BSc. (Hons) in Computer Science and Technology
- Bandarawela Central College 2013 - 2021
 - G.C.E Advanced Level (2021):
 - ICT – A
 - Combined Mathematics- C
 - Physical Science- C
 - G.C.E Ordinary Level (2018): 8 A's and 1 B

Professional Qualifications

- Diploma in English 2019
 - British way English Academy
- Completed a 32-hour training programme in Fundamentals of Digital System Design 2024
 - Department of Electronic & Telecommunication Engineering, University of Moratuwa
- Completed an online learning programme in Python for Beginners 2022
 - Department of Computer Science & Engineering, University of Moratuwa

Projects

- **JobSeek** - A Web Platform for Finding Part Time Jobs (Group Project)

JobSeek is a web-based platform developed to connect part-time job seekers with employers, simplifying the job search and recruitment process. The system enables users to register, search and apply for jobs, upload CVs, and communicate with employers through an integrated messaging system.

Key Features: User and employer registration, job posting, search and filtering, application tracking, messaging, notifications, and admin dashboard.

Technologies: React, PHP, MySQL, Azure Blob Storage

Role: Full-Stack Developer

Interpersonal Skills

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Interests

- Web development
- Application development

Languages

- Sinhala
- English

Projects

- **TravelEase** - A Web Platform for Tour Package Booking (Group Project)
Developed a web-based travel booking platform enabling users to browse tour packages, make and manage bookings, and submit reviews, while providing an admin dashboard for package management. Built responsive frontend interfaces and backend functionalities following an iterative development approach.
Technologies: React, Django, MySQL | **Role:** Full-Stack Developer
- **Jungle Eye Safari** – Wildlife Safari Booking Platform Live Web Application)
Developed a modern web platform for a Sri Lankan wildlife safari and tour company, enabling users to explore safari destinations and tour experiences through a responsive and user-friendly interface. Implemented full-stack web functionalities and contributed to the development of the platform using an iterative development approach.
Technologies: Next.js, PostgreSQL | **Role:** Full-Stack Developer & System Designer
- **Find My Degree** – Degree Recommendation Web System (Live Web Application)
Developed a web platform that recommends university degree programs based on student results and previous district cutoff marks in Sri Lanka.
Tech: PHP, JavaScript, MySQL | **Role:** Full-Stack Developer

Achievements

- 2nd place – Uva Province School Robo Competitions 2019
- Merit Award – Senior Coding Contest, SLIIT Codefest 2020- Organize by Faculty of Computing, SLIIT
- Qualifying into the final round of the school level competition– SLIIT Robofest 2022, Organize by Faculty of Engineering, SLIIT
- Participated in the ICT Quiz Contest, SLIIT Codefest 2020- Organize by Faculty of Computing, SLIIT
- Participated in the School Category of SLIIT Robofest 2019, Organize by Faculty of Engineering, SLIIT

Extra-curricular activities

- Member of Cyber Security Hub, Uva Wellassa University
- Junior Committee Member of FOSS Uva Wellassa University
- Member of IEEE, Uva Wellassa University
